

## 2022 After First Week of Play

All,

I have redone the email distribution based on what we have on record for regular and sub players. If you have received this email and wish to be removed from the list please let us know. Please check out the rosters on the website and if you have numbers or emails for some of the players please let us know.

The website address is: <https://golf.cccmwcllc.com/>

On the Contacts Page. PW: golf2209

Thank you all for playing in the 2022 UAW-GM Golf League. We welcome all of our new players and welcome back our veteran players. The board changed the format this year to a 2 person scramble league and there may be some changes as we go along. We are taking 2 weeks to establish team handicaps so there will be no results on the website until after play next week.

If you still need to pay your league dues please do so next week. Please see Walt Halley or myself before or after your round.

Some reminders from things observed in week 1

Scorecards will be located in the clubhouse snack bar by the bulletin board.

The first group out needs to grab the proximity markers that will be near the scorecards. Place the tee sheet on the first tee and place the other proximities on the applicable holes.

Please mark off your group on the first tee so we know who is on the course.

The last group needs to pick up the markers. Please remove the sheets from the markers and place the sheets in the box with the scorecards. Leave everything in the box and put it in the clubhouse in the same area the scorecards were picked up.

Be ready when it is your tee time.

You have 3 minutes to look for a lost ball. If that ball can't be found you will have to use your partners last shot. If that ball has already been picked up then you will have to take a lost ball penalty of one stroke and drop near where you, and the opposing team, think the ball was last seen.

Pace of play should be 2 hours or less in a scramble format. The first couple groups finished in 2 hours this week and then it dwindled off to 2 hours 20 minutes plus. Do your best to keep up with the group ahead of you.

If anyone wants to add to these observations feel free.

See you all Monday 05/09/2022.
