

## **Week 07 Notice**

All,

We appreciate everyone sticking it out the past couple weeks during the rain delays. We have lucked out and was able to get both rounds in which helps us out not having to extend the season.

PLEASE make sure that if you have a sub that the name of the sub gets on the scorecard that is turned in. We had to go back to last week and correct a couple groups. Luckily it didn't affect the points or anything else.

You can always send me an email or text me at 260-341-8714 if you know you are going to have a sub

Make sure you sign the proper flag based on your HCP.
