

Golfers,

Here we are at the end of another season!

This is the last week of the season, and we will have a **3:40 p.m. shotgun start**, so please try to arrive a little early to help us get started on time.

Let's have a fun day and finish the season on a high note.

Don't forget to stay after the round for food, beer, pop, and our annual meeting.

So far, I have received only **two items for discussion and a vote**.

Attached is the team and tee schedule for the day.

Website is updated.

See you at the course!
