

Week #05 — 06/15/26

Yes — the schedules were a bit confusing, but everything is now back on track.

I've corrected all of the season schedules, including the playoff week, which now falls on **09/14/26** since **09/07/26** lands on Labor Day weekend. The weekly schedules through Week 7 are also updated, and I'll continue working through the remaining weeks.

The website is updated as of **06/13/26 at 11:30 AM**.
